

**Raffles**  
InternationalCollege

Success by *Design*

**Raffles** was founded in 1990 and our Bangkok campus was established in 2003. Raffles distinguishes itself by providing innovative quality education that will equip students with the ability to not only achieve excellence in their professional and academic goals, but to be extraordinary at them.

Our spacious layout serves to enhance our student's creativity supporting students through their journey of academia.

We believe these main benefits is what sets our education apart from the masses and will get students ahead in their endeavors.
